## ➤ 8-DAY CHRISTMAS IN SPAIN £599

**December 22-29, 2011**

*Leave the winter cold behind as we head to warmer climes to celebrate the festive style with a mixture of sun, sand, sea and a spiritual high point in Spain.*

### Tour Itinerary

**December 22:** A morning departure to Dover for our ferry crossing to Calais. We continue through France before breaking the journey at our overnight hotel.

**December 23:** After breakfast we head into Spain and arrive at our resort – home for the next five nights.

**December 24:** Christmas on the beach anyone? For Christmas Eve we visit seaside resorts – including Lloret de Mar and Tossa de Mar – with a special lobster lunch to make the most of our surroundings.

**December 25:** After a leisurely breakfast, relax ahead of the traditional Christmas lunch with all the trimmings. There may even be a visit from a gentleman in a red suit with something special for everyone. Afternoon and evening at leisure.

**December 26:** A free day to relax and make the most of the winter sunshine.

**December 27:** Today's destination is Montserrat and the Benedictine Abbey of Santa Maria. Set in spectacular mountain scenery, the monastery is a sight of religious importance and home to the statue of the Virgin of Montserrat (The Black Virgin) – Catalonia's favourite saint. The Basilica also houses a museum which includes work by El Greco, Dali and Picasso.

**December 28:** We bid farewell to our hosts and make our way back to France and our overnight hotel.

**December 29:** After continuing through France to Calais, we board the ferry to Dover and back to journey's end in London at the climax of a warm and wonderful Christmas break.
